Our Layouts have
been growing and
detailing is on go-
ing.

On the HO layout, a
trolley line is being
added through the
amusement park
and town.

The S gauge
layout contin-
ues to have
landscaping
done on it.

And the O
gauge has a
new leg being
added
(20'x20') and
a city is now grow-
ing on the center
leg.

Bake Sale for our Fall Open House:

The museum is planning on having a bake sale during our Fall Open House—Oktoberfest.

If you wish to help with our bake sale or provide baked items, please contact Lori DeJohn at 440-724-9067 or Barb Powers at 440-286-8556.

Our next big event is our Fall Open House on September 25 and 26, 10a.m. to 6p.m. This is our Oktoberfest.

Food is being prepared by Mama Roberto's. Our theme for the Open House is "The Circus is Coming to Town"

as the real Circus is coming to Cleveland this October. As always, the museum is free so please come out and celebrate with us!

We will once again be hosting a Train Show with many great vendors who will be selling and trading goods.

Train Show admission is \$7 each, children under 18 are free with paid adults. Watch the local papers for a \$2 off coupon to the show.

The Children Photo Contest winners will be unveiled at WRMRRM, September 25, during our Open House.
